

Jérémy Ravier presents his autumn menu, in which each ingredient finds its rightful place.

A member of the Toques Blanches Lyonnaises, our committed and caring chef seeks to enhance the ingredients through his creations, presenting them as elegant and graphic works of art.

With gentleness and high standards, he conveys to his teams and guests a taste for authenticity, goodness and the pleasure of generous, sincere cuisine that is accessible to all.

Enjoy your culinary journey at Les 3 Dômes !
